Thanks, Jim.

I got it down to 2 pages. Please take a look and let me know if you're ok with the stuff I cut out (and with the stuff I added). If there's anything you feel strongly about there might still be room to squeeze it back in.

Becky,

Here's my draft of the RA briefing paper. I have incorporated Michael's updated language on the Allied Landfill as well as information on the other Operable Units. I am sorry, but I am stuck at 2 ½ pages with this. We could reduce text size, but could you take a look at what you think we should delete? I think we could possibly delete the first two background bullets, but wanted to see what you think.

I have a meeting with Megan at noon and I'll get more info on the briefing paper.

Jim
